DEDICATION

THE 1963 THOROBRED IS DEDICATED TO THE FUTURE OF KENTUCKY STATE COLLEGE

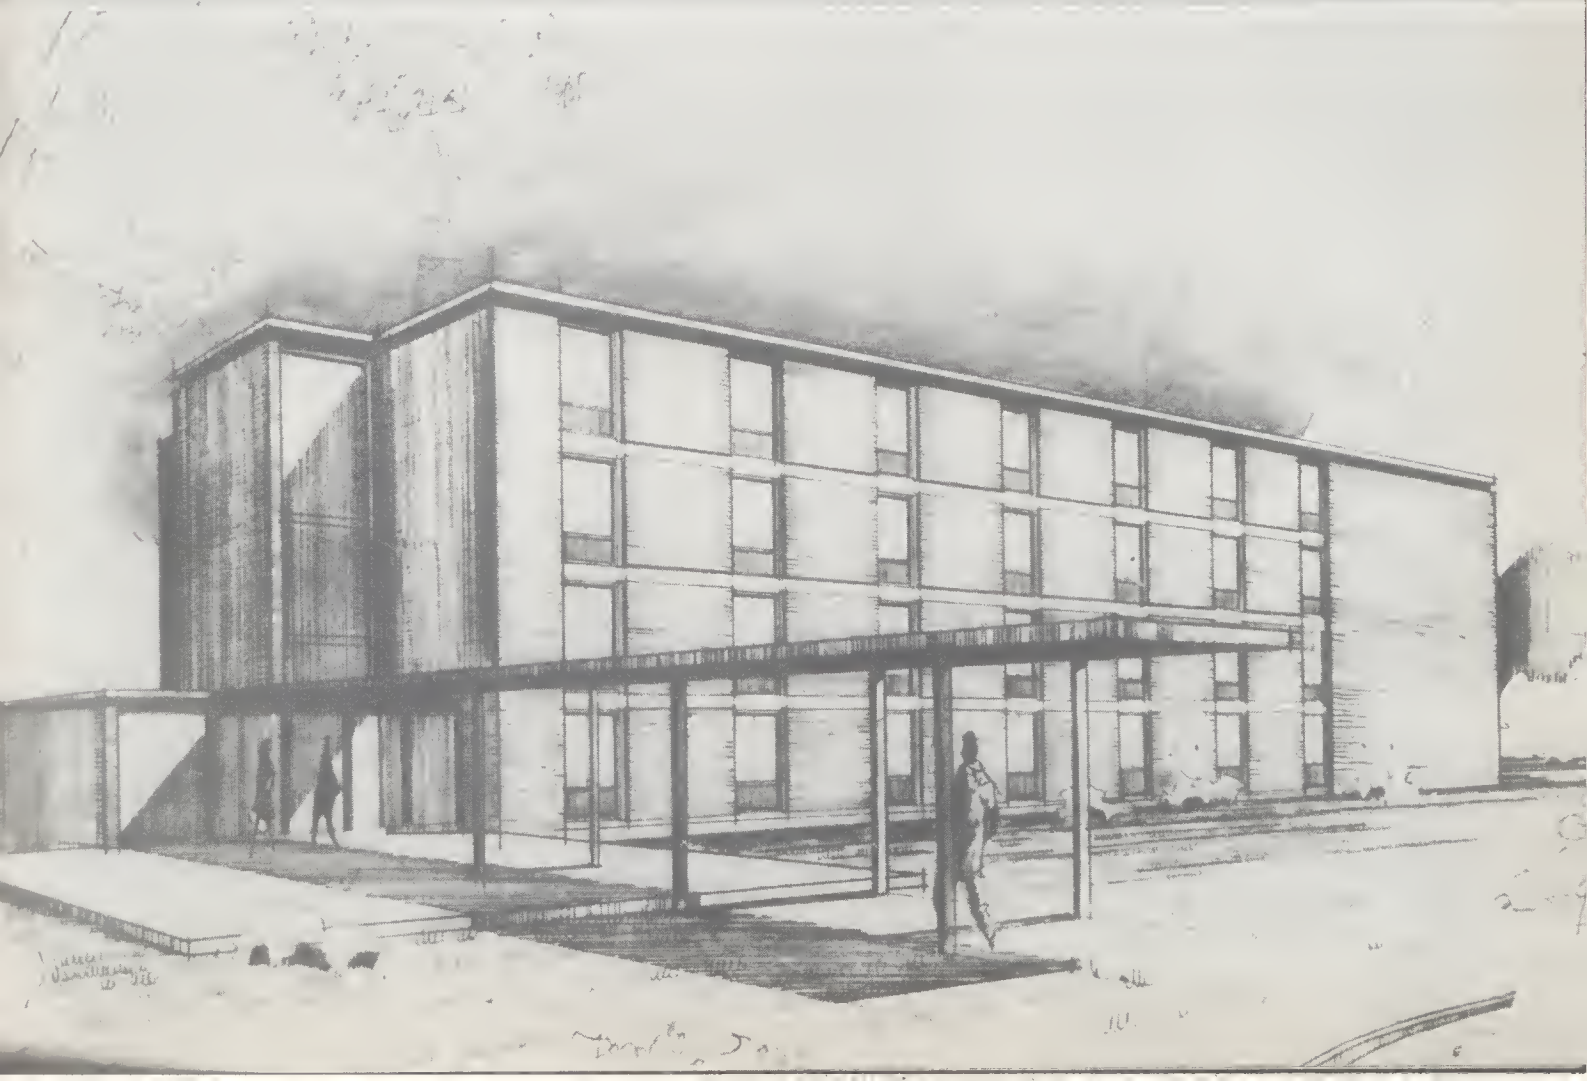

The future of Kentucky State College depends not only upon financial support, but also upon the sincere efforts of the administration, faculty, and other personnel, who are striving to perfect the college program in order to prepare its students for the new challenges of tomorrow.

The future of Kentucky State College also depends upon the students. We should rededicate ourselves to the task of obtaining knowledge. We should cherish these days as ones in which we were given the opportunity to learn under a qualified faculty and in an institution growing physically and academically.

Let us keep in mind our challenge of excellence. This challenge projects us into the future, preparing us for rapidly changing times and for a modern society, in which a man will be looked upon as a man and be blessed with the liberties of mankind.

Therefore, let us look to the future of Kentucky State College with hope. Let us watch her as we see buildings rising, enrollment increasing, additional qualified instructors being hired, and her graduates being placed in positions requiring their skill and learning.

...David Banks

ADMINISTRATION

WE SALUTE OUR PAST PRESIDENT

For the past thirty-three years Dr. Rufus B. Atwood has served Kentucky State College with devotion, courage, and conviction. He has had the longest tenure of any college president in the state of Kentucky. Through his dedicated service the college has become a four-year college, and the enrollment has quadrupled.

Dr. Atwood has held many offices in educational and civic organizations in the state and nation and has been appointed consultant to several government officials and agencies. He is the author of numerous articles on Negro education. In 1962, Dr. Atwood was awarded the Sullivan Medallion at the University of Kentucky for outstanding achievement. The Medallion is the highest award for service the University bestows upon an individual.

Mrs. Atwood has been a steadfast supporter of her husband through the years and was honored with her husband at a Faculty Banquet on the occasion of President Atwood's retirement. At that time, a \$550 gift certificate and a silver punch bowl and goblets were presented to the couple in recognition of their devotion to Kentucky State College.

WE WELCOME OUR NEW PRESIDENT

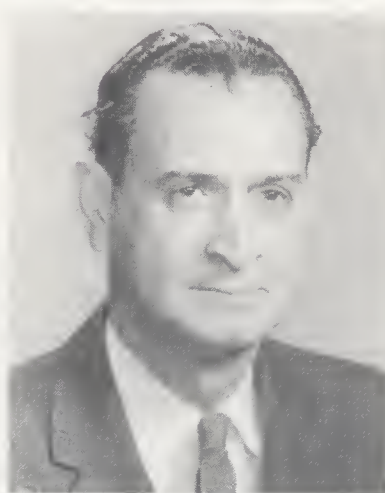

Dr. Carl M. Hill, acclaimed as "one of the three or four top educators in the South," became Kentucky State College's new president December 1, 1962. At his inauguration, Dr. Hill challenged us to an "unremitting search for basic excellence in teaching, learning, scholarship, management, institutional integrity, and cooperation."

President Hill came to us from the Tennessee Agricultural and Industrial State University where he served as Dean of the Faculty and Dean of the School of Arts and Science. A native of Norfolk, Virginia, Dr. Hill is a noted scientist. He received his doctorate in chemistry from Cornell University, has co-authored a general chemistry text and has been responsible for numerous research projects. Dr. Hill has served as president of the National Institute of Science, as national president of Beta Kappa Chi Scientific Society, and as a fellow of the Tennessee Academy of Science.

The new first lady, Mrs. Mary E. Hill, is also an outstanding chemist and teacher, having received one of the awards given annually to six outstanding chemistry teachers in the United States and Canada. She is a native of South Mill, North Carolina.

THE ALMA MATER

HAIL TO OUR ALMA MATER! DEAR IS HER NAME;
AND THERE SHALL BE NO OTHER TO SURPASS HER FAME.
HERS IS THE HAND THAT GUIDES US DAY AFTER DAY;
AND SHE WILL STAND BESIDE US WHEN WE GO ON OUR WAY.

CHORUS

MAY BLESSINGS BE UPON HER!
SHEPHERD OF YOUTH.
SHE HOLDS THE SEAT OF HONOR
IN THE HALL OF TRUTH.
MEM'RIES OF HER SHALL NEVER
FADE FROM OUR HEARTS;
AND WE WILL PRAISE HER EVER
FOR THE LOVE SHE IMPARTS.

SING EVERY VOICE TOGETHER; LET ECHOES RISE;
HAIL TO OUR ALMA MATER; SHOUT TO THE SKIES.
HOLDING THE TORCH OF WISDOM, SHE LEADS THE WAY;
CLASPING THE HANDS OF FREEDOM, AS SHE MARCHES ALONG.
